------------------	------

The meeting was opened by JH at approx 4:00. JH proposed the previous meetings minutes as an accurate record – CD seconded. Matters arising from those minutes:

- Following JH's correspondence with Doreen Stephenson JH met with Nigel Howells who confirmed that the regeneration of Mablethorpe is still a priority citing the Big Lottery funding as well as funding for the Tide Gallery and a training centre for care of the elderly.
- With regard to the empty land on the industrial estate it is now for sale although it is unclear whether it will be available for housing
- We will take the idea of more flexible seasonal car park fee's to the TCM

KB reported that the membership invoices are prepared and will be available at the next members meeting. The remaining invoices will be distributed by KB in person or by post. To simplify the membership secretaries job all renewals will be billed from 1st March.

KB raised the need for greater awareness of MASCOT achievements to this end we agreed to:

- List recent achievements on the back of the membership invoice to encourage renewals
- Publicise committee meeting minutes on the MASCOT website
- Remove the password protection of documents on the MASCOT website

Although all speakers are able to attend the members meeting scheduled for 3pm on March 3rd many members are unable to do so. JH to call the speakers to investigate the possibility of moving the meeting to 6pm on March 7th.
