Mablethorpe Half and Full Marathon

Tennyson High School, Seaholme Road, Mablethorpe – Start & Finish

This unique event – the only Lincolnshire based full road marathon – will this year combine the best of previous years with a new 2 lap route. The half marathon resembles previous years' routes with some subtle changes and the full marathon is a 2 lap loop taking into consideration runner's feedback. The route is flatter, less isolated and we hope will enable more personal bests. We pride ourselves on calling this the "friendly one" and believe the changes made will be welcomed by all to make this event even better. Come and join us for this fabulous event suited for runners of all abilities and spectators.
