**WEDNESDAY 18 MAY**  
**2:30pm – 5:30pm**  
**Meridale Centre, Sutton On Sea**

## **THIS IS YOUR CHANCE TO GET INVOLVED IN YOUR COASTLINE'S FUTURE**

The Environment Agency and its partners will be undertaking a review of how Lincolnshire's coastal flood defences (between Saltfleet to Gibraltar Point) are being managed. We are hosting a **Northern area Business** workshop on Wednesday 18<sup>th</sup> May, aimed at members of the business community living between Saltfleet and Sandilands. Come along and have your say!

At the workshop we will:

- Help you to assess the level of coastal flood risk for you and your community.
- Understand how the coast is managed now.
- Discuss what you want the coast to be like in 20 years.
- Discuss what are the key things the Review should cover.

**PLEASE NOTE:** Places are limited.

Please book your space in advance by calling the Environment Agency Area Office on 01522 785017 or email [gemma.mitchell@environment-agency.gov.uk](mailto:gemma.mitchell@environment-agency.gov.uk)
